## THEY GAVE A PARTY IN CORSENDONK HOOGE HEYDE

Victor and Line from the VTM program "married at first sight" did their wedding party again for all their friends and family on their first wedding anniversary. For this they chose Hooze Heyde as their party location.

“ We celebrated our 1-year wedding at Corsendonk Hooze Heyde and wow, it was top! From the first conversation to the check-out, everything was super organized.

Hooze Heyde is the ideal location for a wedding party, partly because you have the entire hotel at your disposal and therefore do not have to take into account other guests.

The staff, sales, receptionist, garçons, etc.. both in front of and behind the scenes, make sure that you and your guests do not lack anything. Highly recommended for anyone who wants to enjoy themselves in peace and quiet while having a great party!
