PRIORIJ CORSENDONK

Oud-Turnhout

MEETING GUIDE

Priorij Corsendonk, hidden in the greenery and surrounded by ancient trees in a medieval setting!

The harmony between past and present will make your event an unforgettable experience. The subdued vaulted cellar, the monumental Chapter House and the beautiful Renaissance gardens are just some of the features that make the Priorij shine in all its splendor. A meeting can be combined with an overnight stay, dinner and even a team building.

Where we have a beautiful garden it is always nice to have the opportunity to organize coffee breaks, lunch, aperitif or dinner outside when the weather is good. Would you like to have your meeting outside? No problem, you are always free to find a quiet spot in the garden.

The history of Priorij Corsendonk

The history of Priorij Corsendonk begins with Maria Van Gelre, a lady of Turnhout. She did good work for the community and gave away many of her possessions. Later, in 1395, she donated Priorij Corsendonk to the regular canons to ensure her place in Heaven.

What we find on the domain includes the original north wing of the monastery. In addition to the Vrouwenhuys and the Lekenhuis, we also find the Gastenhuis (guest house), which used to serve as a residence for travelers. This shows that the current destination of Priorij Corsendonk has its origins in a distant future.
